Reflection

In many ways the Exodus story of the bread from heaven is very similar to last Sunday's accounts. However, the focus today is not divine prodigality shown through the overabundance of food, but total dependence on God. The bread comes from heaven, not merely because the food seems to come down from the sky, but because it comes from God. The restriction about collecting it was meant to emphasise this point. Our survival is in God's hands, not ours.

Jesus insists that he is the true bread from heaven; he is the real basis of our survival. The people followed him because they saw him as a source of bread; they did not realise that he is really the source of life. If we fill ourselves with all that the world provides as nourishment we will still hunger. Only faith in Jesus can satisfy our deepest hungers, and we will not be able to survive apart from him.

Acceptance of Jesus as the source of our life and the very nourishment of our spirits effects a total transformation in us. We will no longer be content to live with full bellies but empty minds. We will put aside our old selves steeped in ignorance and self-interest and put on a new self, created in his image. Having fed on the bread from heaven, we will be mysteriously transformed into it. The spirit of our minds will be renewed by his teaching. As a result, we will be able to launch out into a way of living that witnesses to our new understanding, our new life.

St John Vianney - Aug 4th.

St. John Vianney, Priest (Patron of priests) Feast day - August 4 Universally known as the "Cure of Ars)," St. John Mary Vianney was ordained a priest in 1815. His reputation as a confessor and director of souls made him known throughout the world.

Accustomed to the most severe austerities, beleaguered by swarms of penitents, and besieged by the devil, this great mystic manifested a imperturbable patience. He was a wonderworker loved by the crowds, but he retained a childlike simplicity, and he remains to this day the living image of the priest after the heart of Christ.

He heard confessions of people from all over the world for the sixteen hours each day. His life was filled with works of charity and love. It is recorded that even the staunchest of sinners were converted at his mere word. He died August 4, 1859, and was canonized May 31, 1925.

Assumption of the Blessed Virgin Mary

Mass will be celebrated in Our Lady of the Rosary Church Taree at 9.00am on Saturday 15th August.

Celebrated every year on August 15, the Feast of the Assumption of the Blessed Virgin Mary commemorates the death of Mary and her bodily assumption into Heaven, before her body could begin to decay--a foretaste of our own bodily resurrection at the end of time. Because it signifies the Blessed Virgin's passing into eternal life, it is the most important of all Marian feasts and is a **Holy Day of Obligation.**

St Mary of the Cross - August 8th

Mary MacKillop (1842 -1909), now known as St Mary of the Cross MacKillop, was an Australian woman of early Australian colonial times. On March 19, 1866 at Penola in South Australia she, with Father Julian Tenison-Woods, founded the Sisters of Saint Joseph of the Sacred Heart (Josephites). Mother Mary of the Cross was its first Religious Sister and Superior.

In her lifetime, Mary MacKillop established a number of schools and welfare organisations throughout Australia and New Zealand with a focus on education of the poor, particularly in country regions. Conflict with Fr Tenison-Woods and other clergy resulted in Mary's ex-communication by Bishop Sheil on September 22, 1871 for her alleged insubordination. Consequently most of the schools were closed and the Josephites almost disbanded. On February 21, 1872, Bishop Sheil, as he lay dying, realised his mistake and lifted the ex-communication.

In 1873, Mary MacKillop successfully travelled to Rome and attained Papal approval for the Sisters of Saint Joseph of the Sacred Heart. In 1875, after returning from Rome, she was formally elected Superior General.

Since her death in 1909, St Mary MacKillop has attracted much veneration in Australia and internationally. Following recognition of the required miracles, she became Australia's first saint on October 17, 2010.
